

ROTARY CLUB OF DOVER
 P.O. Box 1801
 Dover, NH 03821-0801

THE FOUR WAY TEST—Of The Things We Think, Say, or Do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

THE OBJECT OF ROTARY

Is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business and community life;

Fourth: The advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

She also qualified for The Meet of Champions held this Saturday at UNH.

FINES

Betsey A-P filled in for *Amy S* this week so she could fine all the tables that had men and women sitting together. Isn't this what she has been fighting for her entire life? The pleasure of enjoying a man's company at lunch??

PROGRAM

The newest Executive Director of the Dover Chamber of Commerce Kirt Schuman was introduced to the Club by Jim Horne. Kirt came to the Chamber after working for Liberty Mutual and at the local Photosmith. He enjoys traveling, road races and with the help of Rotarian Dr *Tom McShera* remains cavity free.

On the state of the Chamber Kirt feels there is a good foundation in place with 503 members and growing. The chamber grew by nineteen new members alone last month. There are three main things the Chamber is focusing on:

1. Need to operate like a business by setting high standards and being visible in the community. The new facility is good example.
2. Develop and drive membership value through practical information and training.
3. The promotion of the greater Dover community. Let people and businesses know why it is good to locate to Dover.

He mentioned the possibility of a forming the Seacoast Chamber alliance to help promote tourism and advocate benefits in Concord for the seacoast area. A new web site will coincide with the opening of the new center. It will include a peek at the week email that will alert members to community events happening that week. Also, social networking is available through Face Book for members. A new rebranding campaign will start this summer along with community favorites The Coheco Arts Festival and Apple Harvest Day.

Lastly, an open house for members will take place at the new chamber Center on 06/26/09 from 4pm through 8pm.
