P.O. Box 1801
Dover, NH 03821-0801

THE FOUR WAY TEST—Of The Things We Think, Say, or Do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

THE OBJECT OF ROTARY

Is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business and community life;

Fourth: The advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

~ During the hurricanes in Mexico, Mel Gibson donated to RI for the projects in most need. He trusted that RI would be most efficient in the distribution of the funds. Bill and Melinda Gates are contributing \$200M to eradicate polio from the world. The agreement is a Rotary challenge to raise \$100M for a polio immunization grant.

~ Thank you to those who marched Sunday.

~ **Joe L** needs volunteers for "Santa's Calling" which will take place at **Bob R.** on Mon., 12/10 & Tues., 12/11 from 6-8pm. **Joe** wants 10-12 volunteers for Monday night and 4-5 volunteers on Tuesday. Mrs. Clause is also welcome!

This is a good way for a small group of people or a business to give back to the community by taking on one family. Gifts can be small or large. It is up to the individuals who are sponsoring the family. Contact **Joe** or Linda H. if you would like to take a family.

PROGRAM

Kim A was born in Dover and lived most of her life here. She would spend most of her summer days swimming in her grandmother's pool. In the seventh grade her love of swimming was the reason she considered joining the swim team in Dover. Although her grandmother was not Greek, she loved the culture and learned to cook Greek food and Greek dance. This passion was something she passed down to **Kim (Kim and John C did a beautiful Greek Dance demonstration – Way to go)!!!**

Kim met her husband **Joe** in high school. They dated all through high school and were married in St Joseph's Church in Dover. They have now been married for 16 years. Their beautiful daughter was added to their family in 1998. Shannon is now in the fourth grade at Garrison School and she is a cheerleader for the Dover Little Green. **Kim** and her husband **Joe** are big hockey fans and have traveled to places like Minnesota, St Louis and Wisconsin and this year to Denver to enjoy their hobby.

Kim works at Ocean National Bank which was the former Seacoast Savings Bank. She has noticed the biggest change in Dover is the amount of volunteer work in the community.

Kim still enjoys swimming and as of late.....has taken up golf. Anyone ready for a challenge?
